

Current 'ASD' and 'HTD' Parts

August '12

Standard Parts Stocked at DV Systems

New DV Part Number:	Original DV Part Number:	Description:	ASD Series - Older								ASD Series - Current								HTD Series - Old				HTD Series - Cur				
			10	15	30	40	60	100	150	200	10	15	30	40	60	100	150	200	18	26	37	52	18	26	37	52	
Please see below for appropriate serial numbers differentiating between 'Older' and 'Current' Units																											
RD-210.0053.00	'E'	ASD-9025	Fan Motor	Older 'ASD10' Dryers did not exist.																							
RD-210.0113.00			Fan Motor																								
RD-210.0146.00			Fan Motor																								
RD-210.1958.00		'D'	Fan Motor & Blade																								
RD-213.0041.00		HTD-9403	Fan Blade																								
RD-213.0048.00		ASD-9032	Fan Blade																								
RD-213.0049.00		ASD-9033	Fan Blade																								
RD-240.0106.00		HTD-9406	Drain Valve Assy																								
RD-240.0108.00			Drain Valve Assy																								
RD-240.0112.00		HTD-9407	Solenoid Valve Coil																								
RD-243.0034.02		ASD-9047	Temperature Probe																								
RD-245.0090.00	'C'	ASD-9045	Fan Pressure Switch																								
RD-245.0093.00			Fan Pressure Switch																								
RD-250.0003.00		ASD-9036	On/Off Switch																								
RD-305.0050.02		ASD-9042	Control Board																								
RD-906.0217.03	'A'	ASD-9041**	Control Board																								
RD-305.0055.01			Control Board																								
RD-305.0063.01	'B'	HTD-9409	Control Board																								
RD-244.0108.02			Start Relay																								
RD-244.0109.02			Start Relay																								
RD-244.0122.02			Start Relay																								
RD-244.0118.02			Start Relay																								
RD-244.0123.02			Start Relay																								
RD-244.0125.02			Start Relay																								
RD-400.0136.00		ASD-9040	Spacer Clip																								

Note: The hi-lighted fields are the correct parts to use.

Example: An 'ASD15' (both older and current) requires an 'RD-210.0053.00' Fan Motor.

- A) The 'ASD-9041' Control Board is no longer available as of May '10.
It has been replaced by Kit 'RD-906.0217.03' which includes a
Control Board and Adapter.
- B) The 'RD-305.0063.01' Control Board replaces the older 'RD-305.0056.01'.
Board. This change was made June '10.
- C) The 'RD-245.0090.00' Fan Pressure Switch replaces the older 'RD-245.0086.00'.
This change was made March '11.
- D) Fan Motor and Blade for Older ASD-150 and ASD200 Units was 'RD-210.0085.00'
prior to November '11.
- E) Fan Motor for older HTD26-52 Units was 'RD-211.1994.00' but is no longer available.
It has been changed to 'RD-210.0146.00'. This change was made August '12.

Current Units have serial numbers equal or greater than:

ASD10	'07M-013988'	HTD18	'07M-008405'
ASD15	'07M-008319'	HTD26	'07M-008112'
ASD30	'07M-007142'	HTD37	'07M-008109'
ASD40	'07M-008427'	HTD52	'07M-003557'
ASD60	'07M-008417'		
ASD100	'07M-007173'		
ASD150	'07M-003068'		
ASD200	'07M-016998'
